'...in Him we live, and move, and have our being.' Acts 17:28 NKJV

George Washington Carver, an agricultural chemist who discovered three hundred uses for peanuts, shared these observations about God: 'As a very small boy exploring the almost virgin woods of the old Carver place, I had the impression someone had just been there ahead of me. Things were so orderly, so clean, so harmoniously beautiful. A few years later in these same woods...I was practically overwhelmed with the sense of some great presence. Not only had someone been there, someone was there...Years later when I read in the Scriptures, "...in Him we live, and move, and have our being," I knew what the writer meant. Never since have I been without this consciousness of the Creator speaking to me...the out-doors has been to me more and more a great cathedral in which God could be continuously spoken to and heard from...Man, who needed a purpose, a mission to keep him alive, had one. He could be...God's co-worker...My purpose alone must be God's purpose—to increase the welfare and happiness of His people...Why, then, should we, who believe in Christ, be so surprised at what God can do with a willing man in a laboratory?' In 1921 Carver spoke before the United States House of Representatives. The chairman asked, 'Dr. Carver, how did you learn all these things?' He answered, 'From an old book.' The chairman asked, 'What book?' Carver replied, 'The Bible.' The chairman enquired, 'Does the Bible talk about peanuts?' Carver replied, 'No sir, but it tells about the God who made the peanut. I asked Him to show me what to do with the peanut, and He did.' Do you need a creative idea or solution today? Ask God! Source: The UCB Word for Today.

FAREWELL JACOB: Jacob has been worshipping with us since February but he will be returning to his job in Alberta next week. We wish him well as he leaves here to return to his work and church family there. Today he is going to share a song with us. He is from the African Dinka tribe and will be singing part of his song in English and part in Dinka.

SABBATH SCHOOL CLASSROOMS: Due to ongoing issues, we would like to remind all members that the supplies in the classrooms are for Sabbath School use only. We would appreciate it if these rooms were respected and left undisturbed. If a classroom needs to be used for other purposes, please contact the leader of that class. Also, no children should be in any of the classrooms without adult supervision. Thank you for your cooperation.

NOMINATING COMMITTEE: It is time to be thinking about officers for 2016. On Sept. 12, all regular church members will be given a paper to write down three members' names whom they feel suited to serve on the Pre Nominating Committee. The five people that get the most votes will form the Pre Nominating Committee. That Committee would then meet and choose a chairperson. The mandate for this Committee would be to find seven church members willing to serve on the Nominating Committee. The work of the Nominating Committee is to get officers in place for 2016.
