

A JOYFUL OUTLOOK

Sabbath, November 26th, 2016
10:45-12:15

‘The joy of the LORD is your strength.’
Nehemiah 8:10 KJV

You get to choose your outlook each day, so choose wisely and well. Observe: 1) A joyful outlook gives you the winning edge. When world heavyweight champion Joe Louis got knocked down by Tony ‘Two Ton’ Galento in Yankee Stadium, he immediately jumped up and went after his opponent. When his trainer protested, ‘Why didn’t you stay down for nine like I’ve always taught you?’ ‘What?’ growled Louis. ‘And give him all that time to rest?’ Then he went out and won the fight. 2) A joyful outlook determines how others respond to you. When you smile, people tend to smile back. But if you come across as hard-nosed, they’re likely to respond in kind. If you want to enjoy people as you go through your day, think well of them. This isn’t rocket science, but it’s easily forgotten. 3) A joyful outlook brings happiness. English literary figure Samuel Johnson said: ‘He who has so little knowledge of human nature as to seek happiness by changing anything but his own disposition will waste his life in fruitless efforts, and multiply the grief ... he proposes to remove.’ 4) A joyful outlook always brings the best result. Successful people embrace this truth, whether it’s a surgeon going into the operating room, a pastor preparing a sermon, or an executive launching a new business venture. Confidence increases your chance of success every time. So when you approach a task, especially one you don’t relish, fix your mind on God’s promises and not your feelings. It’ll get you back on track every time - guaranteed! Source: The UCB Word for Today

SUNDAY SOUP SUPPERS: Thanks to our wonderful church family, our volunteer calendar is filled out for the rest of 2016. Your willingness to help is so much appreciated! During the winter months we also accept donations of hats, scarfs, gloves etc., for those who may need them. All these items can be placed in the box in the church foyer.
